Treasurer's Report: Lucy reported still we have over \$15,000.

Ongoing Business

Rush Ranch, April 25, 2015: Rich Anderson reported that the event went well but having only three people was tough. Our demos were well received by the public. The property had many fox tails which limited the demo space for our dogs. In the future more than three members are needed our club should pull out.

Nominating Committee: The committee requires more time and will recommend the slate of recommendations next month.

2016 Hunt Test:

Master Judge Recommendations: Wendy requested recommendations. General comments were shared. More information from members will be collected via a separate email.

Debbie Fulgoni completed a physical inventory of our equipment following the last hunt test. Debbie also provided a shopping list. Rich will order ammo as soon as the pricing start dropping. Inform Lucy of the other items to order and she can complete the order with the club credit card. (Luane sent a message that we are out of plates and utensils).
