Presidents Report: Pursuant to club bylaws we have been remiss in getting board nominations in by the deadline of May, these will be posted ASAP.

Secretary's Report: Nothing specific, new secretaries mentioned by Brian as Pat and John. Attendance sheet handed around for roll.

Treasurer's Report: Lucy reports a club balance of slightly more then \$12,1xx.00 in the bank.
(secretaries note: precise figure needs to be confirmed at next club meeting)

Ongoing Business:

Per Kate, equipment trailer transfer complete. Trailer now held at Sundowner's full inventory to be done.

Wendy provided an update on the possible use of Salt Slough as a backup for club activates, specifically Hunt Tests, park management unfortunately won't allow it. As such Denverton remains the primary and only choice.

Anne P. Super Single Series for Denverton currently set at 42 entries. Running order to be done toward the end of the week. Gunners and wingers arranged via Brian. Still need to arrange for trailer tow to Denverton. Kate can possibly perform the towing function for the club.
