President's Report: The organizing of the 2018 Hunt test is looking good. Steve Kesselring has the raffle guns. Opening of dove season was good and duck season opens next month.

Treasurer's Report: Lucy reported the Super Singles netted \$846.00. Lucy will send a check to the Culin's for the cost of food. The club had a loss of \$1,400.00 from the cancelled February 2017 hunt test; however, money from the Denverton training day and super singles helped to make up the loss.

Our bank balance is \$12,969!

Liability officers and directors insurance payment of \$2,000 is due. Lucy is working on changing the dates of insurance year to January instead of October.

Old Business: John Culin Super Singles was a success. A big thank you to Anne for all her work. Linda reported that there were not many left overs – 2 buns and 7 hotdogs!

Wendy reported that the 2017 hunt test judges have agreed to judge our 2018 test with the exception of Mike Collson. Jim Charboneau has been asked to judge master with Wendy Rowan and Wendy is waiting his reply.

(Master A – Hiltons; Master B – Wendy Rowan and hopefully Jim Charboneau; Junior and Senior: Phil Spear and Greg Bingham).

Lucy will check with Gaylene regarding the license plate for the trailer.

Discussed alternative sites for the hunt test should we be rained out again. Wendy reported that Salt Slough is not available. Denverton would be an alternative. It was agreed to leave the upcoming test at Los Banos Wildlife Area.

New Business: Votes were taken for Proposed Amendments to Master National By Laws:

Yes for Dissolution Clause.

Yes for Change of date for Qualifying for Master National Hunt Test.

Yes for Mike Collson – vice President and Jimmy Hughes for Treasurer.

Judges: Michael O'Bannon, Janet Peters and Ron Sauls

Membership: Guest Jason Hanna was introduced. Jason has a year old Lab and has moved to the area from southern California where he was a member of Inland Valley Hunt club.

Wesley Adams was voted into membership.

Rick Saal would like to take photos of our dogs during training and put the photos up on Smugmug.com. Denise will put a note on our web page about his photos so that they can be downloaded through smugmug.com.

Anne and Wendy will set up the training for the day.
