Old Business:

John Cullin Super Singles: A big thank you to John Kaitschuck for planning a successful Single Series event. John thanks all those who also contributed and helped him with the event. For the next Single Series we need to remind judges that this is intended to be a 'fun' event. The dog groups include a wide range of skill, therefore, particularly for advanced, the set-up should be enjoyable for the lowest level of dogs – senior. A suggestion was also made to change the names of the groups of dogs. There was no bumper toss or scurry due to space constraints and no requests. 40 dogs participated (1 puppy, 11 advanced and 4 veterans). We received \$895 less birds (\$378) for a net of \$517. Food costs to be deducted.

Linda Christensen expressed honor and thanks for receiving the Don Campbell award.

Single Series Photos are available thanks to Rick Saals. Visit <https://Dog2theline.smugmug.com> and look for the MBHC Single Series Galleries.

New Business:

MBHRC February 16-17, 2019 Hunt Test: Hotel: Mission Del Oro was considered as an option for our club and our judge's dinner. With poor customer service, only 5 rooms for dogs, a minimal discount and higher room prices, the venue was not selected. Our club hotel will remain Quality Inn in Santa Nella. Wendy will contact the judges to learn if they wish to stay at La Quinta – next to M&M Restaurant.

BBQ: No information yet on the food trucks. Considered offering appetizers.

Judge's Dinner: All agreed M&M is good and convenient.

Raffle: Agreed to also include a **mini** Winger Zinger with electronics. John Kaitschuck kindly offered to fund. Thanks John! The Tandcredi's have the Teal Decoy's.

Volunteers: Thanks to those who responded to the survey. If you plan to go the Test, contact Denise to confirm where you will assist. Also needed are Bird boys/girls 16 and older who have a hunter safety certificate, to work the Master Stakes.

Next meeting is Sunday, October 7, 9 AM at Jones lake.

Meeting adjourned at 9:30 a.m.

Denise

Training followed.
