Old Business- Hunt Test for 2021

Anne Pletcher was advised by the Department of Fish and Wildlife we are requested to follow safety procedures to protect everyone from Covid 19. John Kaitschuck is our safety officer. He and Anne will review the "Suggested Best Practices for the Well-Being of Dog Sport Participants (for Retriever Hunt Tests). Then cut and paste what is applicable for the Hunt Test. The final version will be attached to the Hunt Test premium list. We will order washing stations in addition to the Porta Potties. Would like Master and Senior Tests to have 2 Guns available so one can be with handler and one is being wiped down. Request judges bring their own pens and gloves. Ask exhibitors to bring their own gloves. Tim Harris and Gina have volunteered to help at the Hunt Test. Denise will make up the Excel spread sheets for Anne which will be a great time saver. Brian Iwata will assemble and test the new wingers that will be used in the Hunt Test. Lucy and Luanne have not had an opportunity to check out Mission De Oro due to Covid 19 and terrible smoke from forest fires. Lucy will call them instead. Lucy will handle all reservations for the Hunt test since she has the club credit card.

The concept of a 50/50 Raffle was cancelled due since there are too many restrictions.
