Old Business-

Hunt Test 2022-No new updates.

Denver-ton Usage - Member clubs having one day of training annually possibly being changed in 2022. Linda Boman will check to see if that has been decided. If it has what is the alternate for our club.

Pay Pal Account - Denise Iwata investigated and sent the information via email to add Pay Pal to our Web site. To create a club account, we have to list an owner of the account. Once it is established the owner is able to authorize users (like the treasurer) to allow them the ability to pull funds and transfer them to our club bank account.

There is a service fee of 2.9% and a 30-cent transaction fee (she believes the service fee is when people use a credit card instead of their Pay Pal account. She would like to check into it further.

One member asked if there is a one-time service? Also, to check directly with Pay Pal for any additional facts we need to know. If we decided to use Pay Pal it wouldn't be until 2023.

New Business – At our December meeting Lee Wyker would like to discuss pricing for our raffle tickets at the 2022 Hunt Test and sending raffle advertising information to other clubs like, NorCal GRC, Marin, and Sage Hens.

Next Meeting – Saturday, December 11, 2021.

A fun Training Day followed!!!!
