

MBHRC Minutes

April 2, 2022

Members attending the meeting were: Lee Wyker, Jamie Warren, Candy & Steve Perryman, Pat & Rogers Johnson, Alan Kabert, Michelle Posey, James Boone, and John Kaitschuck.

The meeting was brought to order at 9:07a.m.

The secretary's minutes were accepted as stated online.

The treasurer reported we have \$11,595.58.

Lee Wyker presented the suggested slate of new officers:

President – Steve Perryman

Vice-president – John Kaitschuck

Secretary – Nancy Kelly

Treasurer – Lee Wyker

Directors:

James Boone

Alan Kabert

Candy Perryman

Jamie Warren

We need a 5th director which the nominating committee is working on.

Once we have the final slate it will be emailed to all club members for their vote by the secretary.

Old Business- Training Day at Denver T 1

May 14 has been confirmed. Start time will be 9:30a to allow everyone to get there. There will be a meeting first and then the training day.

Alan Kabert will check if he can obtain pigeons to use in training.

We will require those interested to attend this training day to sign up by May 2nd.

More information will be coming out later. If you have not signed a Hold Harmless form for Denver you will be required to do so.

Super Singles Series Day – Confirmed for Aug 20, 2022

Looking for judges, suggestions were Pluis Davern, Pam McDonald, the Gonzales, those members who would be within driving distance of the event.

Use ducks on land and bumpers or dokkens on water.

Rather than bring the trailer to the event, just bring what is needed.

James Boone will chair the event but working with him will be Nancy Kelly and Lee Wyker.

We will try to have different members handle each portion of the event i.e. a person in charge of the food, one charge of field events.

Rodgers and Steve Perryman volunteered to cook.

For the raffle we would have only one item which would be a donated winger we already have.

New Business- Change of venue for Hunt Test

NJK will check with AKC and Denver to see the feasibility of changing the MBHRC Hunt Test to another venue since Los Banos is more restrictive every year.

Rather than trying to put on two Master Hunt Tests have only one, as we do with Junior and Senior.

Suggestion- Need to get more present on social media. It would help increase younger membership. Will check with Denise to see if this is feasible.

Meeting adjourned at 10:18a.m. Next meeting training day at Denver, May 18, 2022 @ 9:30a.m.
