New Business – Move Hunt Test to Deverton

Board members reviewed information sent to MBHRC from Alice Woodyard pertaining to changing our venue to Denverton. Need to have more discussion to discuss details, cost and do we have enough club members willing to volunteer to put on a Hunt Test.

NAHRA Test- Alan Kabert contacted a NAHRA rep to see if MBHRC might want to put on a NAHRA Test in place of Single Series or an AKC Hunt Test. A NAHRA rep is available to talk to the club regarding this possibility. We need to check bylaws to see whether we are required to have an AKC Hunt Test.

Training Day at Laguna Seca – Lee Wyker will check into it.

Next Meeting date – June 18th – Depending on NorCal Training Day schedule.
Meeting adjourned at 9:55A

Meeting notes submitted by Jamie Warren to Nancy J Kelly to write the minutes.
