Moving Hunt Test Venue

There is serious concern that we do not have enough **working** members to put on a successful Hunt Test in 2023 even if we move to Denver. Many members have moved from the area or have health issues and can no longer participate in field events. It was suggested that we see how many MBHRC members help out with the Single Series which is a simpler event to manage then decide whether we can hold a hunt test in 2023.

New business – Social Media Exposure

John would contact Ashley Tercero to initiate her social media exposure plan.

NAHRA Test -No additional information for this meeting.

Next Meeting July 23, 2022
