MBHRC Minutes 8-28-22

Meeting started at 9:18a.m. Members in attendance were: Steve & Candy Perryman, John Kaitschuck, Alan Kabert, Michelle Posey, Ashley Tercero, Nancy Kelly, Jamie Warren & Lee Wyker.

The secretary's report was accepted as presented online.

Lee reported for August the treasury has \$11,110.58. Payments had been made to CRTA to allow monthly usage, and payments were made for our website.

Old Business – Cancelling 2023 Hunt Test, Nancy checked with AKC Events to see what the procedure is to keep the February date for future years. AKC advised once the date has passed for 2023 MBHRC should immediately apply for that February date in 2024.

Discussed having a NAHRA seminar on our February date in 2023. Make it a working seminar (handlers with dogs participating) the first day. If possible having a mock test the following day. Nancy needs to check with CRTA as to cost and any limitations to this concept. Alan would check with the NAHRA Representative to see if the February dates worked with him.

Discussed Single Series, however, decided we don't have enough working MBHRC members to put it on in 2022. We are hoping, adding a NAHRA event will simulate more interest in the club and generate new members. Nancy will check with CRTA as to cost to hold Single Series at Denver. We would like to have one in 2023.

New business – Voting on changes to Master National By Laws changes. It was decided Ashley would create a Goggle link and have votes returned to her (since Nancy will be gone for 12 days in September), then she will send them on to the Master National, Dede Paterson. Nancy will distribute via group list to obtain the members votes.

The next meeting will be on September 24, 2022 at 9:30a.m. at Denver T-1.

For the October MBHRC Meeting, Michelle Posey has graciously offered the use of her property in the South Peninsular for the meeting and training. She is located in San Martin, CA; details will be given after the September meeting.

Meeting was adjourned at 10:16a.m.

Thanks to Alan Kabert and John Kaitschuck for setting up an excellent training session on the land and in the water..

Nancy J. Kelly
Secretary MBHRC
