

MBHRC Meeting Minutes 3-11-2023

Meeting held at the home of Michell Posey and Ashley Tercero in San Martin, Ca. Thank you both for your gracious hospitality.

The meeting came to order at 10:22a.m.

Members attending were: Lee Wyker, Jamie Warren, John Kaitschuck, Steve & Candy Perryman, Alan Kabert, Nancy Kelly, Pluis Davern and James Boone.

The secretary's report was accepted as presented online.

Lee reported we have \$10,036.02 in funds with one check outstanding for \$93.00 for an insurance payment. We currently have 29 members signed up for 2023.

It was discussed how we need to encourage younger members to join plus ask non-participating members to help at events.

Old Business: MBHRC members have been trying to think of events that might encourage more participation in the club. One suggestion was to possibly try to hold NAHRA Tests. Another suggestion has been HRC events. Alan has been in contact with David Sunderland, an active participant in HRC who currently lives in Arizona and is moving to Lincoln, CA. He would be willing to assist the club in holding a sample event. There is a HRC hunt test coming up in April at Corning that several club members are going to enter to see what the events are like. Gun safety is an important aspect of HRC. Discussed having a Single Series which everyone likes but it was decided to see if the HRC is something we would like to try first.

New Business – Select nominating committee. Lee Wyker is chairperson, other members are: Candy Perryman, Jamie Warren, and James Boone.

Lee will review bylaws to see if MBHRC is required to hold an AKC event during a specific time period.

James Boone reviewed the parts of a pump shot gun, and how to safely load and unload it.

Meeting was adjourned at 12:00 noon.
